我们能做的还有很多
 We can do more

BUSINESS CATEGORY

OOG CONTAINER FREIGHT

Business Introduction

WINCO takes great responsibility for your cargo transportation. If you entrust us your oversized (over-length, over-weight, over-height, over-width) equipments, we will design personalized OOG solution to satisfy your individual demand.

- A number of shipping lines' guaranteed cargo space and flexible sailing schedule to choose.
- Latest tracing system helps you know well the cargo safety and cargo condition. The Ocean Freight Enquiry System presents you real-time freight rate. Advanced e-commerce system provides you efficient and individual service——time-saving, effort-saving, money-saving.
- Professional specialists with ten years experience design personalized OOG transportation solutions for your requirements.
- One-stop service: picking up onsite, haulage, storage, fastening and loading, unpacking, tranship, international shipping, custom clearance, door-to-door service in destination port.

INTERNATIONAL CONTAINERS FREIGHT
